10+ YEARS OF EXPERIENCE

Wells Fargo

Sr. Product Designer

Oct '24 - Present, Bangalore

- Led design for Smart Start Banking (ages 6–17), guiding the overall product experience.
- Built an automated workflow to upscale legacy UI assets across 100+ pages, improving visual quality and design consistency.
- Redesigned the alerts experience to improve clarity and control.
- Led the mobile redesign of Card Design Studio, transforming a 13-year-old desktop feature into a mobile experience. ~30M incremental cards have been customized so far.

Flipkart

Product Designer 2

Feb '22 - Sep '24, Bangalore

- Designed Flipkart UPI, adopted by 4M+ users.
- Improved Payments page success rate by ~8% through UX enhancements.
- Improved Flipkart Pay Later acquisition funnel, driving ~12% uplift across a 10M user base.
- Revamped the Grocery homepage, increasing cart additions by ~7%.

MoveInSync

Sr. UX Designer

Dec '20 - Feb '22, Bangalore

- Built a foundational design system for desktop and Android in collaboration with engineering.
- Designed workplace tools including desk booking, office check-in/out, visitor management, and meeting room scheduling.

BillTrim

UX Designer

Aug '18 - Dec '20, Bangalore

- Designed experiences that help users detect utility overcharges and find ways to save without changing plans.
- Conducted user interviews and surveys to validate design decisions.
- Built a foundational design system to ensure product consistency.
- Created illustrations and micro-interactions for landing pages.

Gaming Monk (parent MPL)

UX Designer

Oct '17 - Mar '18, Delhi

- Designed matchmaking flows, including leaderboards and tournament summaries.
- Created design guidelines for social media content.

Addodoc Tech Pvt Ltd

Creative Designer

Jan '16 - Sep '17, Delhi

- Designed experiences that connect new parents with other parents and doctors for trusted advice.
- Made a video that went viral (9.7M+ views), helping us gain ~20K facebook page likes.
